THE SEASON'S MOST FASHIONABLE WEDDING

IT WAS, then. But fashion is fickle, and the romantic, carefully posed photograph of the happy couple is now as out-of-date as..as..

As the range in your kitchen?

Hundreds of women who smile at the picture may be less amused when they have to spend long, hot hours over a range of the same vintage. And it's so unnecessary because today's method--Electric Cookery--is more economical than ever before. Add to that fact the cleanliness, the coolness, the speed, the convenience of an electric range...and ask yourself if you can afford to cook any but the modern way?

There is an electric range that's just made for you...in size, in design, in price. Why not see it now...and say goodbye to not-so-Gay Nineties method?

PLENTY OF KICKS BUT NO COMPLAINTS

Plenty of *Long* kicks, too! For every record kick ever recorded in football was made with a Spalding Official Ball.

In fact, the whole history of the Spalding J5-V Official Intercollegiate Football is liberally sprinkled with record-breaking performances.

Again this year, when America's outstanding elevens go into action, you'll see the J5-V boring through the air on hundreds of gridirons—gaining maximum yardage on passes, punts, and place-kicks.

FUNDS FROM CHRISTMAS SEALS FINANCE THE FIGHT AGAINST TUBERCULOSIS!

Young boys and girls of high school and college age are particularly susceptible to tuberculosis. Many schools and colleges throughout the country recommend tuberculin testing and X-raying to discover whether or not their students have tuberculosis. Out of 200 persons who die every day from tuberculosis in the United States, 33 are between the ages of 15 and 25.

THE TWO GREATEST HAZARDS OF LIFE!

LIVING TOO LONG » » » »

DYING TOO SOON » » » »

Life Insurance meets these hazards as no other investment can. It guarantees you a certain sum of money at a definite time, providing the contentment that comes only with financial independence. Or, should you die too soon, your family would receive not only what you saved, but what you intended to save.

In the long run—and on a short run, too—you're better off going the Greyhound way. With fares only 1/3 the cost of driving a car—even a collegiate model—it's financially easy to follow the team to more out-of-town games. In fact, you can celebrate your victories in proper style on the money you save. Then, too, your whole crowd can travel together and that means as much fun en route as at the game! Next trip use a Super-Coach!
